

The **Fixed Price Vehicle Program** allows MOSASP to purchase vehicles from the Federal Government and sell them to entities that are eligible to obtain Federal surplus property. (See "Frequently Asked Questions" for more detailed eligibility information.)

All vehicles are state inspected and are in very good condition.

For more information or to place a hold on any of these vehicles, contact Gary Taggart at 888-295-7796 or e-mail taggart@mail.oa.state.mo.us

(Tell us what you want. If we don't have it, we will

try to get it.)

We are continuously searching the federal government's available vehicles throughout the United States. We attempt to acquire low mileage vehicles that we believe are what you may need. However, it would help us in our search to have a wish list of the vehicles you need, listing equipment and pricing preferences. Fax your list to Gary @ 573-526-8489.

NOTE: Fixed Price Vehicles are not available to the general public.
